All audit reports, audit summaries, compliance reviews, or other records documenting audits conducted by or for the Lee's Summit Police Department concerning its use of the Flock Safety system from January 1, 2025 through August 24, 2026.

This includes, to the extent such information is contained within the responsive audit records

Findings, exceptions, violations, or discrepancies identified

Any corrective or disciplinary action documented as a result

I am requesting existing records only. I am not asking the City to answer questions, conduct an analysis, or create a new record in response to this request.

Please provide responsive records electronically.

If any responsive record contains both open and closed information, please provide the reasonably segregable open portions and identify the statutory authority relied upon for withholding or redacting the remainder.
