Pursuant to Chapter 610 RSMo, I request the following records concerning whether American Rescue Plan Act funds or other federal relief funds were used for the City's Flock Safety automated license plate reader program, including Contract No. 2024-017 with Flock Group Inc. Records identifying every project or expenditure category into which the City allocated State and Local Fiscal Recovery Funds (SLFRF) under ARPA, including the City's SLFRF project list, spending plan, and any internal allocation worksheet or tracking spreadsheet. All Project and Expenditure Reports and any Recovery Plan Performance Report the City submitted to the U.S. Department of the Treasury, and any drafts or supporting workpapers. Records reflecting whether any ARPA/SLFRF funds were used, obligated, considered, or proposed for the purchase, installation, subscription, maintenance, or operation of ALPR cameras or related software, including any expenditure category determination and any legal or finance review of eligibility. Any council agenda item, staff report, presentation, or memorandum presented to the City Council or a Council committee proposing or approving the use of ARPA funds for public safety technology, surveillance technology, cameras, or police equipment. Records reflecting the obligation deadline and expenditure deadline applied to any such funds, and any reallocation of ARPA funds affecting this program. Records reflecting the use of any other federal relief or stimulus funding for this program, including CARES Act funds or Coronavirus Relief Fund monies. I request electronic copies. If any portion is withheld or redacted, identify the specific exemption under § 610.021 RSMo relied on for each record. If access cannot be granted within three business days, § 610.023.3 requires a detailed explanation of the cause for delay and the place and earliest time and date the records will be available. *Gross v. Parson*, 624 S.W.3d 877 (Mo. banc 2021), requires a specific date, not an estimated range. Prior requests I have submitted to the City concerning this program have not received a specific date.
