Pursuant to Chapter 610 RSMo, I request the following records concerning whether asset forfeiture proceeds were used for the City's Flock Safety automated license plate reader program. All Equitable Sharing Agreement and Certification forms submitted by the Lee's Summit Police Department to the U.S. Department of Justice and/or U.S. Department of the Treasury for fiscal years 2022 through the present, including all attachments and schedules. All annual reports submitted by the Lee's Summit Police Department to the Missouri State Auditor pursuant to § 513.653 RSMo for calendar years 2022 through the present. Records reflecting the balance, receipts, and expenditures of any federal equitable sharing account and any state forfeiture account maintained by or for the Police Department for that period, including ledgers, account statements, and expenditure detail. Records reflecting whether any equitable sharing or forfeiture proceeds were used, obligated, considered, or proposed for the purchase, installation, subscription, maintenance, or operation of ALPR cameras or related software or services. Any internal approval, justification, or eligibility determination for the use of such funds for this program, and any correspondence with DOJ, Treasury, or the Missouri State Auditor concerning permissible uses. Records reflecting any donation, gift, grant, or in-kind contribution from a private entity, foundation, business, or nonprofit toward this program, and the City's acceptance of same. I request electronic copies. If any portion is withheld or redacted, identify the specific exemption under § 610.021 RSMo relied on for each record. If access cannot be granted within three business days, § 610.023.3 requires a detailed explanation and the place and earliest time and date the records will be available, which under Gross v. Parson must be a specific date rather than a range. Please advise in advance if fees will exceed \$25.
